VETERANS AFFAIRS BOARD MEETING FOR APRIL 2012 (cont)

NEW BUSINESS

1. There was discussion that the State Dept. of Military and Veterans Affairs is going to fund VetraSpec a computer program for creating and storing veterans claims. The main concern is the trade off with the State and what and how much data they will have access to. They should not have access to veterans confidential information.
2. It was brought up that there is a possibility that the office may have to move to the Annex in June 2012 due remodeling of the county building. Hopefully the remodeling would be done in Sept 2012. Depending on what the County Commissioners decide to do as far as remodeling.

Meeting adjourned 18:00

NEXT MEETING

The board will meet next on May 29, 2012, at 05:00 PM

Respectfully Submitted.
