**OLD BUSINESS**

1. Beth contacted the Legislative Service Bureau, the preparing entity of the previously released *Michigan Laws Relating to Veterans*, due to the fact that the newest edition within the office is dated 1999. Beth was told that there is not a current publication with that name. Beth will ask other county counselors at her training in June. The only other publication currently provided by the State of Michigan is *Veterans Benefits & Services for Michigan Veterans who Served in the Military*. This booklet does not give the laws in detail, however, lists resources for veterans in Michigan.
