

Economic Vitality Incentive Program/County Incentive Program Certification of Consolidation of Services

Issued under authority of 2013 Public Act 59. Filing is mandatory to qualify for payments.

Each city/village/township/county applying for Consolidation of Services payments must:

1. Certify to the Michigan Department of Treasury (Treasury) that the local unit listed below has produced and made readily available to the public, a Consolidation Plan as required by 2013 Public Act 59. The plan shall be made available for public viewing in the clerk's office or posted on a publicly accessible Internet site.
2. Submit to Treasury a Consolidation Plan.

City/village/township: This certification, along with a Consolidation Plan, must be received by February 1, 2014 to receive the February and April payments or on or before March 31, 2014 to receive the April payment. Post mark dates will not be considered. For questions, call (517) 373-2697.

County: This certification, along with a Consolidation Plan, must be received by February 1, 2014 (or the first day of a payment month) in order to qualify for that month's payment. Post mark dates will not be considered. For questions, call (517) 373-2697.

Economic Vitality Incentive Program/County Incentive Program FY 2014 Consolidation Plan (Previous Filer)

Local Unit Name: Chippewa County
Local Unit Code: 17-0000

Proposal Name: County GIS Services Update New

Status: Completed In Progress Delayed/Stalled Not Started Dropped

| Status Description or New Proposal Description |
|--|
| In reference to the goals set forth in the County GIS plan, data migration and software deployment has been on-going and will be completed in mid 2014. In 2014, a regional GIS Committee will be established. County staff will be trained on using GIS software and resources: data standards will be reviewed and work will begin on developing standards at the County level. Also the regional web map will be available to the public. Work continues with the 911 vendor to assess the 911 address data and develop an improvement plan and workflow. |
| Jurisdictions/Organizations Involved |
| Chippewa and Mackinac Counties |
| Estimated Savings/Improved Service or Efficiency |
| \$100,000/year |
| Barriers Experienced |
| Time: Developing and migrating data and software, organize meetings, reviewing and developing data standards are all time intensive projects. |

| Estimated Timeline (Month, season, or quarter along with a year) | | |
